

CONCLUSION

In this *Rule 312 Amendment*, Applicants propose minor revisions to dependent claims 139, 158, 162 and 171. Amendment of the ABSTRACT and SUMMARY OF THE INVENTION sections of the application have also been proposed merely so that they comport with the invention as claimed. The proposed changes will neither affect the scope of the claims nor require any substantial work on the part of the Patent Office. Applicants respectfully request entry of the amendments proposed herein before issuance of the application.

Applicants herein also formally acknowledge three telephone conversations had with the Examiner at the latter's initiative concerning the status of the application inclusive of the patentability of the claims.

If the Examiner or other Patent Office personnel has any questions regarding this submission, he/she is invited to call the undersigned at the telephone number listed below.

Respectfully submitted,
